

This family drama revolves around Chandran and his wife Neeli. They have 2 sons, Devaraj and Charan. Chandran is a millionaire and he works at his family business. His elder son is Devaraj who is married to Nafisa. He is the guy who was always supported by his dad while his mom was fighting for him to be like his sister and brother-in-law. He likes to make all decisions and enjoys being the master of the family. On the other hand Charan likes to be free and does not follow his father's ideology. His father wants him to take over the family business, but Charan always manages to escape from him. Charan has an emotional connection with his father. He is a carefree guy who loves to live life to the fullest. He enjoys having fun and would love to go with his friends for adventure.
